

Members of Spade & Trowel Garden Club brought “Mugs of Cheer” to their Christmas “high tea” on Dec. 10, 2024, for judging and to be shared later with patients at a local nursing home to bright their holidays.

These are some of the 20 mugs involved in the project.

Two of the four judges look over early entries in the “Mug of Cheer” project held by Spade & Trowel Garden Club. The mugs went directly from the tea party to Lofland Life Care, a nursing home in Seaford, Delaware.
